AMENDMENT AFTER FINAL

Dear Sirs:

Applicant thanks the Examiner for the Office Action dated October 9, 1999. Please  
amend the application as follows:

In the Claims:

Please cancel claims 3-5, without prejudice. Please amend claim 9 as follows:

9. (twice amended) A traffic law enforcement system having at least two enforcement units at at  
least two locations and a central computer, wherein

the at least two enforcement units read identifying indicia from passing vehicles at the at  
least two locations and transmit at least the identifying indicia to the central computer; and  
wherein

the central computer:

a) associates a time of the transmission and a location of the source of the identifying
